Wakes Hall Lodges - Christmas 2023

It is over 13 years ago that the idea was conceived to develop 5 luxury lodges in the Estate, situated in a pretty meadow approximately 1 mile distant from the highway. Building work commenced in 2012 and in December 2013 we welcomed our first guests to the luxury lodges. The concept has been to

create accommodation that will be more comfortable than staying at home and this we endeavour to try to achieve going forward into the future.

Over the last 10 years we have seen how the whole landscape has become more mature and established, so creating great privacy between each of the lodges. In the early days, we also invested in a generator which, in the case of a power cut, would supply electricity to all the lodges, hopefully in a seamless way (i.e., it is automatic and would come on when the power was lost).

The team who have been leading Wakes Hall Lodges in the last few years have been Deina and Dave who have now retired, and we are proud to announce the appointment of Jordan Partridge who will be leading the management of the Wakes Hall Lodges team, assisted by a team of cleaners, etc. I am indebted, as always, to Helen Bagley who runs a very efficient booking system in our office and who liaises with guests on a continual basis.

We hope very much that they will continue to provide the high standards of service, whilst improving the lodges going forward.

In early 2024 we are pleased to launch Crows Hall which has been a year in the making. It is a pretty 2 bedroom Listed cottage situated on the Estate which has been totally refurbished to provide 2 en suite bathrooms, a ground floor sitting room, reading area, kitchen with landscaped grounds enjoying views of the Wakes Colne & Chappel viaduct, including of course a hot tub! We are very excited to welcome our first guests in February 2024.

I take this opportunity of thanking you very much for all your support in the past and wish you and your family a very Merry Christmas and Happy New Year. I look forward very much to welcoming you to Wakes Hall Lodges in 2024.
